

Volunteer Awards Scheme

To acknowledge the strong commitment and invaluable support of FLAC volunteers who provide legal advice through the network of FLAC centres, we introduced an awards scheme in 2012 to recognise those who have volunteered consistently for the last 3 years or more. In 2013 we expanded the awards scheme to include members of the Public Interest Law Alliance (PILA) Pro Bono Referral Scheme who have demonstrated sustained and significant commitment to PILA. This year we also recognise those who have contributed their time and expertise through their membership of FLAC Council and those who played a vital role as members of Lydia Foy's legal team in her long running but ultimately successful struggle for gender recognition.
